

Transferable, limited lifetime warranty

Color options: White, Almond

## *Series 60 Double Hung*

- Reinforced, multicavity construction provides additional thermal performance and structural integrity
- 7/8" insulated glass
- Fusion-welded sashes and frame add strength, boost thermal performance
- Constant force coil balance permits easy sash movement
- Positive-action cam lock enhances safety
- \*Half screen supported by a strong extruded aluminum frame
- Sloped sill reduces air infiltration and allows for easy water run-off
- Rubber bulb seal helps block outside air
- Heavy-duty, spring-loaded night latches provide optimum ventilation
- Interlocking sashes keep out drafts
- Dual-fin weather stripping further reduces air infiltration
- Integrated, slim line lift rail allows you to easily operate sash
- Low-E Glass and insulating Argon Gas provide additional efficiency, making windows Energy Star compliant

### Custom Options:

- 5/8" flat, 5/8" or 1" contoured grids available
- Factory mulling of twins, triples and architectural shapes
- Custom sizes available
